

Elko County Public Lands

Recreation Study

Your Opinion Matters...

Your opinion is needed to help plan for future recreation needs on public lands in Elko County.

You are invited to share your views at an informal discussion on the dates listed below.

The Great Basin Institute is facilitating interactive discussions to gather information from individuals and organizations who recreate in Elko County's Wilderness Study Areas (WSAs) or public lands. The information will be used to assist the Bureau of Land Management in future land-use plan decisions.
