Dear Interested Party:

David Gibson is proposing to expand an existing gravel pit that is currently authorized for 5 acres of ground disturbance. The gravel pit is located approximately 10 miles South of Lund, White Pine County (see map attachment). Operations would consist of normal gravel pit equipment including screens, conveyors, loaders, dozers, and trucks. This expansion would increase the authorized ground disturbance to 40 acres

Legal Location: T. 10 N., R. 62 E. Section 19 NW Quarter

Following this public scoping period, the BLM will prepare an Environmental Assessment (EA) to analyze potential effects from this ground disturbing activity. Public comments are always greatly appreciated and are an important step in the National Environmental Policy Act (NEPA) process. Comments on this proposed action and requests for additional information should be sent to the Egan Field Office, attn: Miles Kreidler at the above address, by FAX at (775) 289-1910, or by e-mail at mkreidler@blm.gov.

Also please note, before including your address, phone number, e-mail address, or other personal identifying information in your comment, be advised that your entire comment –including your personal identifying information –may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

Please submit any comments by April 8, 2011. Thank you for your interest in Public Lands.

Sincerely,

Gary W. Medlyn
Field Manager
Egan Field Office
