RE: 2880 Acre Parcel to be Transferred to Clark County in the North Central
Portion of the Las Vegas Valley, Clark County (Bureau of Land Management
Report Number: 5-2452).

Dear Mr. Jamrog:

The Nevada State Historic Preservation Office (SHPO) reviewed the proposed
undertaking. The SHPO concurs with the Bureau of Land Management's
determination that the following site is not eligible for the National Register of
Historic Places under any of the Secretary's criteria:

26Ck6714 (CrNV 53-7275).

This cultural resource inventory report was completed following an intensive
archaeological and historic inventory of the project area. No historic properties were
found within the area of potential effects (APE) for the subject undertaking. As a
result, the SHPO concurs with the Bureau of Land Management's determination that
historic properties will not be affected by the proposed undertaking.
