

Partnership Directory

March 29, 2012

The objective of the Partnership Directory is to provide a working list of contacts for the Southern Nevada Public Land Management Act (SNPLMA) managing and administering agencies including the category subgroups and the Partners Working Group, and the SNPLMA eligible entities. The Directory is organized by SNPLMA category and management groups. Please contact the SNPLMA program managers, identified below, for assistance and additional SNPLMA related contact information.
