Contaminated soil adjacent to surface structures was removed and by letter dated December 2, 2002, Nevada Division of Environmental Protection (NDEP) determined that no further assessment or remediation was required at that time. NDEP identified the site as facility # H-000122.</p> <p>One surface structure was subsequently demolished and NDEP required further remediation of the site and additional soils were removed. By letter dated October 25, 2004, NDEP determined that no further action was required at that time. If additional structures are removed from the site, NDEP must be notified for further site investigations. NDEP may require removal of additional soils if contaminants are found that exceed prescribed levels. Additional case documentation may be found in BLM Right-Of-Way File N-38471.</p>	<p>26.240</p>	<p>\$2,310,000</p>
