File Name: Fire Number Cost Containment (e.g. ID-BNF-0001 Cost Containment)

IMT Name: _____

Incident Name and Number: _____

Location: _____

Fire Management Efficiencies – In order to enhance our ability to efficiently manage suppression costs, please respond to the following questions that focus on sound decision-making and ensure prudent choices are made for suppression spending on large fire incidents.

1. Did IMT operate with a clear understanding of Appropriate Management Response as articulated by the Agency Administrator and in the 2005 update of the Federal Wildland Fire Management Policy? Explain.

2. Steps taken to more effectively manage high cost aviation assets.

<u>Action</u>	<u>Result</u>	<u>Estimated Cost Savings</u>
---------------	---------------	-------------------------------

3. Actions taken to effectively manage resources.

<u>Action</u>	<u>Result</u>	<u>Estimated Cost Savings</u>
---------------	---------------	-------------------------------

4. Considerations for resources used and cost benefit to incident.

<u>Action</u>	<u>Result</u>	<u>Estimated Cost Savings</u>
---------------	---------------	-------------------------------

5. Other cost containment measures/actions/considerations.

<u>Action</u>	<u>Result</u>	<u>Estimated Cost Savings</u>
