Subject Clark, Lincoln, and White Pine Counties Groundwater  
Development Project

We are city of Las Vegas resident and native Nevadan and I have lived in Nevada my entire life. As citizens we absolutely disagree with the pumping of ground water to the Las Vegas Valley. Have any of you visisted Owens Valley, CA? Have we not learned any lessons from the past? We can not continue to move forward with a project that is based on greed. The Vegas Valley should only expand to the level of sustainability and no further. Kim Leavitt and Andrew Leavitt
