Dear Penny Woods,

As a concerned resident of the State of (UT/NV) and a member of the Shoshone Tribe I have great concerns about the proposed Pipeline and Right of Way being sought by the Southern Nevada Water Authority. Please select the "No Action Alternative" which is the only option that will protect this beautiful region for future generations.

Here is why:

Water is the most important part of our
Natural Resources.

So "No Action" on Las Vegas pipeline

Sincerely,

Lee Mann (Signature)
