

# National Public Lands Day

A National Environmental Education Foundation Program

## 2016 BLM Nevada NPLD Events

**September 17**

**Southern Nevada District: Sloan Canyon Restoration  
Las Vegas, NV**

Robbie McAboy, 702-515-5354

Work project: Volunteers will restore approximately .75 miles of user created routes adjacent to the recently opened Sloan Canyon access road (Nawghaw Poa Road) and visitor contact station.

**September 22**

**Battle Mountain District: Tonopah High Desert Clean Up  
Tonopah, NV**

William Coyle, 775-482-7803

Work project: Removal of debris and dilapidated fencing.

**September 24**

**Southern Nevada District: Trail Maintenance and Restoration  
Las Vegas, NV**

Cal Howell, 702-515-5386

Work project: Volunteers will perform preventive maintenance and restoration on the hiking trails because of corrosion, erosion and heavy use.

**September 24**

**Elko District: South Fork Reservoir State Park  
Spring Creek, NV**

Mike Setlock, 775-753-0200

Work project: Trail maintenance including trimming back overgrowth, leveling out parts of the trail as needed and paint/stain the information kiosk. Plant narrow-leaf cottonwoods and willow cuttings along the banks of the Humboldt River.

**September 24**

**Winnemucca District: Soldier Meadows Desert Dace Days  
Gerlach, NV**

Kathy Cadigan, 775-623-1500

Work project: Desert Dace habitat restoration, protecting threatened species habitat in Soldier Meadows work includes vegetation cutting and removal, clearing ditches of debris/vegetation and increasing flow of water through channels to prevent non-native fish from swimming upstream.

**September 24**

**Ely District: Great Basin Park Cleanup  
Baker, NV**

Leslie Riley, 775-289-1800

Work project: The Ely District Office will be partnering with the US Forest Service Ely Ranger District and the Great Basin National Park to honor the National Park Service's Centennial. The BLM is planning and facilitating the event. The BLM will present an education station that will include information on Leave No Trace principles, recreation on public lands, responsible use with off-highway vehicles, wildlife, archaeology and wild horses and burros.

**September 24**

**Southern Nevada District: Logandale Trails System  
Logandale, NV**

Chris Linehan, 702-515-5236

Work project: Restoration (planting, seeding, raking, rock staining, placement of boulders and vertical mulch to deter off route travel in key locations) of areas outside of the fence around the shade structures.

## **Cont. 2016 Nevada NPLD Events**

**October 1**

**Carson City District: Washoe Valley Native Seed Collecting**

**Washoe, NV**

Dean Tonenna, 775-885-6000

Work project: Volunteers will work with BLM staff to collect native seed along the western shore of Washoe Lake for use in future restoration projects. The tasks involve locating native plants and collecting seed. BLM will provide seed collecting tools, refreshments, portable toilets and plant identification guides.

**November 5**

**Winnemucca District: Water Canyon Recreation Area**

**Winnemucca, NV**

Peggy McGuckian 775-623-1521

Work project: Interpretive trail and facilities refurbishing, clean-up and trash collection .
