

Proposed Activities in Greater Sage-Grouse Preliminary Habitat Areas
7/20/2012
Instructions (Use Following Blank for Submittal)

Name of Activity: Any BLM permitted/authorized activity (ROW, SRP, Mineral Development, Grazing Permits, etc.) and BLM projects (restoration, fuels, enhancements, etc.) Include case/file/project number as appropriate.		Date:
District(s):	Field Office(s):	
Proponent: Who is proposing activity?		
BLM Project Lead/Biologist:		
Project Details:		
Location Coordinates (Attach Map File): Post Lat and Long or UTM's with attached Map to: https://partnerteamspace.blm.doi.net/sites-nv/nvrp/Sage/Shared%20Documents/Forms/AllItems.aspx in the "Proposed Projects within GSG Habitat" folder and the appropriate District folder.		
Preliminary Habitat Designation:		
Preliminary Priority Habitat - <input type="checkbox"/>	Preliminary General Habitat - <input type="checkbox"/>	
Activity Description: Brief overview of the project.		
Level of Proposed Disturbance: <ul style="list-style-type: none"> • Acres Disturbed: Acres of surface disturbed. • Noise and Activity Level (Including Vehicle Trips): Description of activity. Are the noise and/or activity going to be at a level that disrupts sage-grouse use of the project area? 		
Existing Level Of Disturbance: <ul style="list-style-type: none"> • Acres Disturbed: Acres of surface already disturbed. • Noise and Activity Level: Is the noise and/or activity currently at a level that disrupts sage-grouse use of the project area? 		
Mitigation: <ul style="list-style-type: none"> • Past Mitigation Measures for Sage-grouse in project area: Describe any past actions to mitigate impacts to sage-grouse in the project area. • Applicant Proposed Design Measures/Mitigation Measures: Describe any measures that the applicant is proposing to employ to avoid (proposed design features) disturbance or mitigate disturbance to sage-grouse. Provide reference citations for mitigation measures. • BLM Allowed Mitigation Measures: Describe measures the BLM has agreed are acceptable avoidance, minimization, or mitigation measures 		
Coordination with NDOW:		
Contact: Name and phone number		
NDOW concurs that the proposed activity with associated mitigation measures cumulatively maintain or enhance Greater Sage-grouse habitat in PPH and reduces and mitigates adverse effects on Greater Sage-grouse and its habitat in PGH.		
Yes - <input type="checkbox"/> No - <input type="checkbox"/> Explain what is preventing agreement. This will be elevated to the State Directors for BLM and NDOW to resolve.		
Remarks: Optional area for additional information that would help the State Director and DSDs evaluate this activity.		
District/Field Outcome:		

Defer Activity - Proposed activite is in compliance with IM-2012-043 and can proceed -

Managers Signature/Title:
