

RAC Subgroup Conference Call Meeting  
September 8, 2011  
3:00 p.m. – 4:30 p.m.

RAC subgroup members in attendance: Ray Bloxham (RAC subgroup chairman), Jim Allison, Fran Amendola, Bryan Harris

RAC subgroup member not in attendance: Dell LeFevre

BLM employees in attendance: Sherry Foot, Lola Bird, Aaron Curtis, Don Banks, Dave Jeppesen, Mitch Snow (DFO), Shelley Smith, Suzanne Garcia

Members of the public: None

Ray led the call by giving an overview of the subgroup's task which was to provide comments and recommendations to the draft BLM Utah's Motorized Travel and Transportation Management Planning Policy Instruction Memorandum (IM). A copy of the draft IM (prior to subgroup's changes) is available upon request.

The subgroup members each reported their edits/comments to Ray. There were only a few areas of concern: 3a, bullets 1 & 2 (dealing with closed/open routes to OHV travel); BLM's guidance is confusing regarding analyzing routes; overall, there was nearly full consensus with the Subgroup, but there were a few areas that group could not reach consensus.

Ray will then adjust/incorporate these additional findings and recommendations and send the edited memorandum to the parent RAC for discussion on the September 15 RAC conference call meeting.

Public Comments: No members of the public were in attendance.

Conference call concluded at 4:30 p.m.
