Artist-in-Residence (AiR) at Grand Staircase Escalante National Monument (GSENM)

Plein Air Artist-in-Residence with 2015 Escalante Canyons Art Festival (ECAF) in Escalante, Utah

Program sponsored by the Escalante Canyons Arts Festival and Bureau of Land Management/Grand Staircase-Escalante National Monument.

Background

Grand Staircase-Escalante National Monument (GSENM) was established in 1996 and became the Bureau of Land Management's (BLM) first national monument. At nearly 1.9 million acres, it is the largest area in the National Conservation Lands system, which includes some of the West's most spectacular landscapes set aside for conservation, protection, and restoration of their nationally significant cultural, ecological, and scientific values. From the spectacular Grand Staircase of cliffs and terraces, across the rugged Kaiparowits Plateau, to the wonders of the Escalante Canyons, the Monument's size, resources, and remote character provide extraordinary opportunities for scientific research and exploration. Its spectacular scenery of other-worldly landforms, outrageous combinations of colors, vegetation that ranges from ponderosa forests to lush riparian corridors, and light that is forever changing, provides artists with limitless inspiration and material.

In 1934 artist and poet Everett Ruess vanished in the labyrinth of deep canyons near Escalante, Utah, and was never seen again. The Escalante Canyons Art Festival - Everett Ruess Days (ECAF), an annual gathering of artists, musicians, crafters, poets, and speakers, celebrates the life and work of this enigmatic artist and his passion for this landscape. Ruess' spirit of adventure touches a creative desire in all of us, as we seek to express, as he did, our response to the rugged landscape and mystery of the Escalante Canyons.

Mission Statement

The purpose of the Artist-in-Residence partnership between GSENM and ECAF is two-fold. First, it promotes awareness through art of the exceptional natural and cultural treasures preserved and protected by GSENM. Second, the program seeks to firmly establish the Escalante Canyons region in southern Utah as a destination for artists and those who love art. The program aspires to share the scenic beauty and unique stories of National Conservation Lands with the public through the world of art.

The residency provides artistic and educational opportunities to promote a deeper understanding of the natural, cultural, and historic resources on GSENM. The residency provides an opportunity for learning and dialogue about the value of the National Conservation Lands and their connection to the local community. It allows uninterrupted time in a stimulating and rugged environment for artists to pursue their work and share it with the public.

Location

Escalante is located in the heart of GSENM along Scenic Byway 12 (Utah's only All-American Road), bracketed by Bryce Canyon and Capitol Reef National Parks, the Dixie National Forest, three Utah state parks, and more untrammelled landscape than just about anywhere in the lower forty-eight states. Escalante is approximately a 5-hour drive from Salt Lake City or Las Vegas.

ELIGIBILITY:

The residency is open to all professional artists over 18 years of age who are United States residents and who apply within the deadline period. The residency is limited to artists who work in two dimensional painting in an impressionistic plein air style. Selection is solely based on merit, without regard to sex, race, creed, religion, national origin, employer, or physical ability (see "American Disability Act-ADA" section below). Department of the Interior employees and their relatives are eligible to submit applications to the program.

RESIDENCY PERIOD:

The residency must be scheduled for four weeks ending on September 28, 2015, to coincide with the weekend of the festival.

CREATIVE COMMUNITY PROJECT PROPOSAL:

As stated above, the residency provides opportunity for learning and dialogue about the value of the National Conservation Lands and their connection to the local community. We believe that creativity and art give us an opportunity for such dialogue among the diverse perspectives held in this small community of 800 people. There are no set parameters for the community project. We welcome bold and creative ideas for engaging the community beyond a lecture or painting workshop.

PUBLIC and SCHOOL EVENTS:

The selected artist will conduct at least two public events during the residency. These could be in the form of a workshop, demonstration, tour, or presentation. One event is for the general public and will be included in the arts festival programming lineup. The other event will be for area elementary or high school students and will occur prior to the week of the festival. The details of these festival and school programming events will be discussed and coordinated with the selected artist prior to the start of the residency to provide time for scheduling, outreach, and marketing.

STIPEND:

A stipend of \$1000.00 for the four-week residency will be provided by ECAF via funding from the Glen Canyon Natural History Association Aid to Parks Program.

TRANSPORTATION:

Artist is responsible for all transportation costs, including arrival and departure to Escalante, as well as transportation into GSENM during residency.
