(For more information go to: <http://www.blm.gov/ut/st/en/fo/moab/recreation/campgrounds.html>)

Individual sites are operated on a first come, first served basis. All sites have a two vehicle limit, and are equipped with a picnic table and fire pit/grill. All camping areas have non-flush vault toilets. Not all areas have trash service. Windwhistle has drinking water on-site from mid-April through the end of September. For additional information call the Moab Field Office at 435-259-2100, M-F, 8 a.m. to 4 p.m.

BLM has numerous group campsites which are available by advance reservation (for use by groups only). To make a group site reservation go to: [www.recreation.gov](http://www.recreation.gov).
