**NONCOMMERCIAL PERMIT STIPULATIONS
LABYRINTH CANYON OF THE GREEN RIVER**

General Requirements

Trips may be delayed or terminated if regulations are violated. Failure to comply may also result in criminal and/or civil penalties under Federal or Utah law. **Permits are required for all river trips in Labyrinth Canyon**

1. The permittee must allow rangers to inspect the permit and required equipment and to orient the participants about river safety and etiquette. Upon request, the permittee must present the non-transferable permit along with a photo ID.

2. The permit must list any sponsor or affiliated organization, e.g., scout troop, school, etc. associated with the trip.

3. The trip **must** be noncommercial. No person or organization may make money or increase his or her net worth as a result of this trip. No fees may be collected in excess of actual trip expenses.

4. The permittee must have at all times in canyon:

a. No more than 25 persons on the trip.

b. A washable, leak-proof, reusable toilet system that allows for the carry-out and disposal of human feces via an authorized sewer system. The toilet(s) must be of adequate size for the group size and trip length,

c. A durable metal fire pan at least 12 inches wide with at least a 1.5 inch lip around the outer edge and sufficient to contain fire and remains. Firepans must be carried on all overnight trips.

Boating Safety

1. There shall be a proper size, serviceable, Type I, II, III or V PFD readily available for each person, on each vessel. Persons under age 13 must wear their PFD at all times on the water.

2. Each vessel shall have a spare means of propulsion. Boats with a capacity of 3 or fewer persons, e.g., kayaks, canoes, inflatable kayaks, must carry spare paddles as follows: 1-3 vessels

require 1 spare paddle, 4-6 vessels require 2 spare paddles, 7 to 9 vessels require 3 spare paddles, etc.

3. A bailing bucket or bilge pump (does not apply to self bailing boats, kayaks with spray skirts and inflatable kayaks).

4. Each boat 16 feet long or longer must have immediately available, a Type IV throwable PFD or a commercially made river throw bag with a minimum of 40 feet of line

5. Adhere to the Utah Boating Act (Title 73, Chapter 18) including registration of motorized boats, required equipment, and operational requirements.

Conservation of Natural Resources

The permittee must ensure trip participants:

a. Carry out all charcoal, fire ash, garbage, trash, human and pet feces out of the canyon. Leaving human or pet feces in the canyon or dumping it into restrooms or trash receptacles at public facilities is prohibited. Gray water, strained free of solids, and urine should be discharged into the main stream of the river.

b. Not remove, damage or destroy archaeological, historical or ecological resources or mark or deface any rock surface, trees or other vegetation.

c. Launch, travel (stay in visual contact), and camp together as a group. Groups launching separately may not camp together if such action would result in more than 25 persons occupying a camp.

e. Limit firewood gathering to river drift wood only and fully contain fires in the fire pan.

Note: Pets are prohibited on the river within Canyonlands National Park. Additional regulations apply. Contact CNP at (435) 719-2313 for rules.
