

Utah Energy Corporation  
***BLM Plan of Operations UTU-74631***  
Item H. Re-Vegetation and Reseeding Plan

**Seed Mix and Rate of Application**

A seed mix comprising:

Indian Ricegrass (*Achnatherum hymenoides*)  
Galleta Grass (*Pleuraphis jamesii*)  
Fourwing Saltbrush (*Atriplex canescens*)  
Cicer Milkvetch (*Astragalus cicer*)

will be broadcast by hand at a rate of 2 lb per acre per species.

All disturbed areas will be ripped, seeded, and covered with soil in the late fall.  
Vent hole areas will be seeded with the above mix also.
