BLM Seeks Public Comment on Proposed February 2014 Oil and Gas Lease Sale

Monticello, Utah—The Bureau of Land Management (BLM) Canyon Country District announces that the public scoping period for the proposed February 2014 oil and gas lease sale will run until August 9, 2013.

The purpose of the public scoping process is to determine relevant issues that should be addressed and analyzed in the environmental assessment (EA) that will be prepared for the February 2014 oil and gas lease sale. The proposed parcel list is available for review at both the Monticello Field Office and the Moab Field Office (see addresses below) and online at: <http://www.blm.gov/ut/st/en/fo/monticello.html>.

Written comments will be accepted throughout the public scoping period, which closes on August 9, 2013. Please note that the most useful comments are those that identify issues relevant to the proposed action. Comments which contain only opinions or preferences will not receive a formal response, but may be considered in the BLM planning process. Please reference the "February 2014 Oil and Gas Lease Sale" when submitting comments.

Written comments on the February 2014 oil and gas lease sale may be mailed or emailed to:

Monticello Field Office
Attn: Cliff Giffen
365 North Main

Before including your address, phone number, email address, or other personal identifying information in your comment, be aware that your entire comment – including personal identifying information – may be made publicly available at any time. While you can ask us in

your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. The BLM will not consider anonymous comments.

All submissions from organizations and businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be available for public inspection in their entirety.

For additional information, please contact Cliff Giffen at (435) 587-1524. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to leave a message or question for the above individual. The FIRS is available 24 hours a day, 7 days a week. You will receive a reply during normal business hours.

The BLM manages more than 245 million acres of public land – the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. In Fiscal Year (FY) 2011, recreational and other activities on BLM-managed land contributed more than \$130 billion to the U.S. economy and supported more than 600,000 American jobs. The Bureau is also one of a handful of agencies that collects more revenue than it spends. In FY 2012, nearly \$5.7 billion will be generated on lands managed by the BLM, which operates on a \$1.1 billion budget. The BLM's multiple-use mission is to sustain the health and productivity of the public lands for the use and enjoyment of present and future generations. The Bureau accomplishes this by managing such activities as outdoor recreation, livestock grazing, mineral development, and energy production, and by conserving natural, historical, cultural, and other resources on public lands.
