Youth & Mustang Challenge
Hosted by Janet Tipton &
The Utah Wild Horse & Burro Festival

June 17 & 18, 2016
Davis County Events Center – Farmington, UT

PURPOSE:

The mission of the Mustang Heritage Foundation is to increase the adoption of BLM-housed American Mustangs through innovative gentling (training) competitions and awareness programs. In keeping with this mission, the Youth & Mustang Challenge program has been created to place yearling Mustangs in adoptive homes. These events involve youth (**8-17 years of age**) in the training and adoption of Mustangs 12-24 months old. Participating youth help promote the adoption of these national treasures by showcasing the Mustang's value and trainability. The program is also designed to help youth build and improve their horsemanship skills and life skills through competition.

OVERVIEW:

This Youth & Mustang Challenge is a cooperative effort between the Mustang Heritage Foundation's Trainer Incentive Program and the Bureau of Land Management's Wild Horse and Burro Program and will be hosted and managed by the event coordinator, Janet Tipton.

- Youth trainers ages 8-17 will be accepted to adopt one 12-24-month-old Mustang for this competition.
- Interested youth trainers must complete and submit the trainer application with parent/guardian signatures and postmarked/emailed by **March 21, 2015**, to **Janet Tipton – 4912 Hazel Circle, Erda, UT 84074** or email to **FlyingTAcres@gmail.com** to be considered.
- The youth trainer will be required to condition and train the Mustang for approximately 60 days and compete with his/her trained Mustang during the Youth & Mustang Challenge on **June 17 & 18, at the Utah Wild Horse & Burro Festival at the Davis County Fairgrounds in Farmington, UT**, for prizes and awards.
- Selected youth trainers accepted will receive \$200 from the Mustang Heritage Foundation (to be disbursed through the event manager) to offset horse care expenses and hauling costs.
- Mustangs will be as comparable in size and age (12-24-months-old) as possible, with current vaccinations, health papers, and hooves trimmed.
- Mustangs will be scored on body condition and at least one other class (an in-hand trail competition, showmanship pattern, horsemanship, etc.).
- **This program is intended to facilitate the adoption of Mustang horses ages 12-24 months old. The parent/guardian of the youth trainer is required to complete all necessary adoption paperwork for their assigned Mustang at pick-up.**

REGULATIONS:

1. *Participation in this event is by selection only. Therefore the Mustang Heritage Foundation has the unqualified right to determine eligibility and can, at any time, remove an applicant or contestant from a program and/or competition for any reason or for no reason.*
2. All interested youth trainers must complete and submit a trainer application with parent/guardian signatures and postmarked/mailed by **March 21, 2016**, to **Janet Tipton – 4912 Hazel Circle, Erda, UT 84074** or emailed to **FlyingTAcres@gmail.com**, to be considered. The event manager has the right to extend the application deadline if he/she deems necessary.

Facility must be a minimum of 400 square feet (for example 20 feet x 20 feet or 10 feet x 40 feet) and at least 5 feet high. Facility must be sturdy and constructed of materials such as poles, pipes, or planks (minimum 1.5 inch thickness) without dangerous protrusions. Barbed wire, large-mesh woven, stranded and electric materials are unacceptable for fencing.

Trainers should not release the Mustang into a large open area, such as a pasture, since they may not be able to recapture the animal for training or to provide veterinary care. However, once the animal is gentled, trainers may release it into a pasture or similar area.

Shelter for the Mustang must be provided from inclement weather and temperature extremes. Shelters must be a two-sided structure with a roof, well drained, adequately ventilated, and accessible to the Mustang. The two sides should block prevailing winds and protect the major body parts of the horse. Tarps are not acceptable. Contact the administering BLM office for shelter requirements in the area.
4. Trailer requirements: You must provide transportation for your Mustang. While someone else may transport the animal, all trailers must meet these minimum standards: covered top, sturdy walls/floors, and a smooth interior free from any sharp protrusions; ample head room; removable partitions or compartments to separate animals by size and sex, if necessary; floor covered with a non-skid material; and, adequate ventilation. The BLM requires stock-type trailers with rear swing gates to transport adopted animals. Drop ramp, divided two-horse trailers, and trucks with stock racks are not acceptable.
5. Trainer selection will be made based on experience, reference, and fulfillment of BLM requirements. Trainers must be experienced with horses and have the desire to tame and train a Mustang horse for competition.
6. The event manager will be responsible for assigning one Mustang to each selected youth trainer.
7. All trainers' parents/guardians must adopt the assigned Mustang before taking possession of it by completing and submitting a BLM adoption application, signing a Private Maintenance and Care Agreement (PMACA), and providing the responsible BLM office with a personal check in the amount of \$25 made out to USDI/BLM (or the event manager may issue a single check to BLM on behalf of the adopters).
8. The event manager may choose to either deliver Mustangs to selected youth trainers or hold a "pick up" at which selected trainers can pick up their Mustang.
9. Youth trainers are responsible for all care-related costs from the day the Mustangs are picked up through the conclusion of the competition, including all feed, board, and veterinary care.
10. Mustang training must be humane and compassionate. "Least resistance" techniques are encouraged.

11. By participating in the Challenge, youth trainers agree that all photos and filming become the property of the Mustang Heritage Foundation to be used to promote the event and Foundation.

This includes, but is not limited to: conduct while trainers have Mustangs in their possession; conduct on the show grounds; conduct while trainers are wearing Event logos on / off the show grounds; and includes the conduct of all individuals traveling with trainers, spectators or event managers and all other persons present on show grounds.

Any alleged unsportsmanlike or irresponsible conduct or any other form of misconduct, such as illegal, indecent or profane, and the inhumane treatment of horses are prohibited and shall be grounds for the disciplinary action against offending individuals. Further, event management may immediately expel offenders from the competition or show grounds in order to preserve the decorum of the show. Any applicant or selected individual may be removed from the selection process or this competition at any time if found to have any alleged history of cruelty to animals or humans.
13. Sponsorships: The Mustang Heritage Foundation has entered into corporate sponsorship agreements with a variety of companies. The Foundation asks that trainers honor those sponsorships. Trainers will be restricted from wearing apparel or equine products during the competition that have logos that are larger than 4 inches wide and 2 inches tall.
14. Winners will be announced immediately following the competition.
15. Per BLM adoption rules, adopted Mustangs remain the property of the U.S. Government during the 12 month adoption period and cannot be sold during this time. Mustangs do not become personal property until the adopter applies for the ownership title following the 12 month adoption period and it has been approved and issued by BLM.
17. If the youth trainer is unable to keep their Mustang after the competition, it is the responsibility of the youth trainer to find a new adopter for the Mustang. The original adopter must sign appropriate BLM relinquishment paperwork and the new adopter must sign appropriate BLM adoption paperwork in order to reassign the horse.
