

Knolls SRMA Supplementary Rules

1. No person shall discharge or use firearms or dangerous weapons for the purposes of target shooting.
2. No person shall use or possess to use any glass containers outside of enclosed vehicles, camp trailers or tents.
3. No person shall use or possess to use as firewood any materials containing nails, screws, or other metal hardware to include, but not limited to, wood pallets and/or construction debris.
4. No person shall use an accelerant for the purposes of igniting a campfire. The ignition of any campfire, or other material use for cooking purposes, with the use of any commercially purchased charcoal igniter, or other non-hazardous fuels, however, is authorized.
5. No person shall drive a motor vehicle through any campfire, flaming debris, or materials.
6. No person shall burn any potentially hazardous material including, but not limited to, gasoline, oil, plastic, and magnesium.
7. No person shall ignite a campfire outside the confines of a fire pan or other container. All ashes and unburned fuel from campfires may be disposed of in a small pit excavated with hand tools as long as the material being disposed of is mostly ash. No non-flammable materials may be disposed of in a fire on public land. Large bonfires, which would go beyond the limit of a fire pan, could be authorized on a case-by-case basis by permit.
8. No person shall operate a motorized vehicle in excess of the posted speed limit on any maintained roadway within the Special Recreation Management Area (SRMA).
9. No person may operate a motorized vehicle in excess of 15 m.p.h. off of established or maintained roadways within 50 feet of any animals, people, or vehicles.
10. No person shall operate or use any audio device, including, but not limited to, a radio, television, musical instrument, other noise producing device, or motorized equipment between the hours of 10 p.m. and 6 a.m. in a manner that makes unreasonable noise that disturbs other visitors.
11. No person may operate an off-highway vehicle without a properly installed spark arrestor.
12. No person shall use or possess any man-made ramp or jump, for the purposes of performing acrobatic or aerial stunts, without a permit.
13. No person shall enter, camp, park, or stay longer than one half hour within the SRMA without properly paying required permit fees. Permits must be purchased and visibly displayed in the windshield of all primary vehicles with the date side facing out.
14. Camping and motorized use is prohibited within 200 feet of any perennial water source or impoundment.
