A - OPEN
Open to All Motorized Vehicles Year Round
 Beginning in the southeast corner of the Crawford Mountains, from the Wyoming border west to the base of the mountains, north to Warner Hollow and south to the main road. Scattered parcels south of Laketown Canyon to Old Canyon road and west to the Forest Service boundary. South from Big Creek road, west to the forest boundary along Lewis Ridge and east to the base of Limestone Peak. North of Sixmile Reservoir, east to State Highway 16 and west to the north fork of Sixmile Creek.

A1 - OPEN
Open to All Motorized Vehicles Year Round Subject To Permission of Private Landowner Who Controls Access
 Includes all the small scattered public land parcels both north and south of South Eden Canyon. Scattered parcels south of State Highway 16 to lands surrounding Neoponset Reservoir.

B1 - LIMITED - UNSTABLE WATERSHED
Closed to All Motorized Wheeled Vehicles When Posted During Wet Conditions Except on Designated Roads
 From Sage Creek Junction north to Sixmile Reservoir, northwest to the north fork of Sixmile Creek, west to Pine Canyon, then directly south to Laketown Canyon Road. From one-half mile west of Little Creek Reservoir, east to Utah State Highway 16 and north to Otter Creek. Directly west of Randolph following the Old Canyon Road, then south, passing Dry Canyon to Big Creek Junction, then east, returning to Randolph by way of the Big Creek Road. South from Valley Ridge to Crawford Canyon and west towards the forest boundary, then east up Crawford Canyon, including the Big Creek Enclosure. From Lewis Ridge south to Birch Creek Reservoir, to the Walton Canyon Road, east to the Dry Basin Reservoir and west to Cutoff Canyon.

B2 - LIMITED - CRITICAL WILDLIFE RANGE
Closed to All Motorized Wheeled Vehicles and Over the Snow Machines From November 15 to May 1 Except on Designated Roads
 Most of the Crawford Mountains to the Wyoming border, excluding the southeast corner north to Warner Hollow. Public Lands north of Utah State Highway 39 to public lands surrounding Limestone Peak.

B3 - LIMITED - CRITICAL DEER, ELK & MOOSE WINTER RANGE
Closed to All Motorized Wheeled Vehicles and Over the Snow Machines From November 15 to May 1. Open the Remainder of the Year Subject to Permission of Land Owner Who Controls Access
 Scattered public land parcels intermingled with the private lands in the home Canyon area.

B4 - LIMITED - LAKETOWN CANYON ACEC (Area of Critical Environmental Concern)
Closed to All Motorized Wheeled Vehicles Except On Designated Roads
 All the public land surrounding the Laketown Canyon area which has been identified as an Area of Critical Environmental Concern (ACEC)

C - CLOSED
Closed to All Motorized Vehicles Year Round Due to Critical Erosion Condition of the Soil
 North of Otter Creek, which includes the public land surrounding Last Spring. The public lands located between the middle branch of Otter Creek and Otter Creek itself. Identified riparian areas closed to all wheeled vehicles and over the snow machines 50 feet on either side of the stream, except where designated roads are marked. Travel is restricted to established roads into campgrounds and reservoir; all other roads and trails are closed within indicated boundaries.
