RATIONALE / JUSTIFICATION

Currently, lands considered for disposal are only depicted on Figure 6a [Lands and Realty]. A table with legal descriptions is added as Appendix S to compliment and add clarity to Figure 6a. The table for Appendix S is found on the pages following this Maintenance Change Sheet.

The acreage figure in LAR-8 and Figure 6a is changed to match the figure total found on Appendix S. The acreage total found on Appendix S is more current and accurate (February 2009) than what is listed in LAR-8 (January 2005). The extra sentence clarifies that if public lands are to be sold, then the regulations found in FLPMA Section 203 will be followed. Per FLPMA, any public lands that are sold will require an amendment to the Vernal Resource Management Plan.
