1111 - FIRE BUSINESS MANAGEMENT

.01 Purpose. Since uniform application of interagency policies and guidelines is essential, appropriate procedures in the Interagency Fire Business Management Handbook (NWCG Hbk-2) should be followed. Therefore, this Manual will provide a bridge between BLM Manual Section 1111 and the Interagency Fire Business Management Handbook, so that continuity of the BLM Manual System is maintained and all additions, changes, and supplements are filed in a uniform manner. Field offices may supplement the Handbook (see Manual 1221) to provide additional clarification or information as long as policy or conceptual data is not changed.

.02 Objectives. The objectives are to assure that fire operations include:

A. Maintaining proper finance, property, procurement, and personnel records and forms in a consistent manner.

B. Properly classifying emergency fire personnel, and paying such personnel according to classification.

C. Applying specific regulations applicable to pay, leave, travel, hazard pay, etc., in a uniform manner.

D. Acquiring necessary equipment and supplies from appropriate sources in accordance with applicable procurement regulations.

E. Maintaining adequate property records and accountability procedures.

.03 Authority. Refer to .03 in Manual sections listed below for applicable authority statement:

A. BLM Manual 1300 - FISCAL ACCOUNTING.

B. BLM Manual 1400-511 - POSITION CLASSIFICATION UNDER THE CLASSIFICATION ACT SYSTEM.

C. BLM Manual 1400-532 - COORDINATED FEDERAL WAGE SYSTEM.

D. BLM Manual 1400-550 - PAY ADMINISTRATION (General).

E. BLM Manual 1400-630 - ABSENCE AND LEAVE.

F. BLM Manual 1400-810 - INJURY COMPENSATION.

C. BLM Manual 1510 - PROCUREMENT.

D. BLM Manual 1520 - PERSONAL PROPERTY MANAGEMENT.

1111 - FIRE BUSINESS MANAGEMENT

.04 Responsibility.

A. District Manager. It is the responsibility of the District Manager and assigned staff to provide fire business management information and support to the Incident Commander. The District Manager is responsible to oversee that fire business management activities are in compliance with Bureau policy.

B. Incident Commander (Fire Boss). The Incident Commander (IC) has overall responsibility for establishing and maintaining a sound business management program for all activities related to the suppression of wildfire. The Incident Commander and assigned staff are responsible for carrying out business management activities as identified in the Interagency Fire Business Management Handbook.

.05 References. (Reserved).

.06 Policy. BLM is adopting the National Wildfire Coordinating Group (NWCG) Interagency Fire Business Management Handbook as the official procedures for handling administrative matters relating to fire management. Periodic supplements will be issued based upon Bureau needs and/or changes agreed upon by the interagency community making up NWCG.
