

# National Association of Recreation Resource Planners

## Questions concerning Bureau of Land Management (BLM) interests and involvement with NARRP

1. What specific items/issues affect your agency in recreation resource planning?
2. What do the employees of BLM need assistance/information on regarding the profession of recreation resource planning?
3. Is the BLM interested in having an association support legislative actions on a federal level? If so, what kind of legislation affects the BLM?
4. What kind of presentation topics would the BLM be interested in for future conferences?
5. Is funding an issue when it comes to travel and training for your agency?
6. Do you have any suggestions on what NARRP can do for BLM? We know how we will benefit from more members from the BLM, so really it's about what we can do for you.
