Recreation T&D Project Proposal Criteria

Proposals/Problem Statements are evaluated using the following criteria:

1. Savings - What would be the direct savings to the FS if a solution to the problem was implemented over five years?
2. Partnerships - What partnerships are in-place? What is the potential for partnerships? Are the partners internal with other FS programs or with other agencies? Do or will the partners contribute funding to the project?
3. Strategic Plan - How would the problem solution help to achieve goals of the Strategic Plan?
4. Effectiveness - How would a solution assist FS field personnel to be more effective?
5. Scope - Would a solution benefit a broad audience, such as: districts in multiple regions, numerous districts in a single region, other federal agencies as well as FS personnel.
