

**BUREAU OF LAND MANAGEMENT
TRANSPORTATION PLANNING PROJECT PROPOSALS FOR FISCAL YEAR 2008
FOR
SAFE, ACCOUNTABLE, FLEXIBLE, EFFICIENT TRANSPORTATION EQUITY ACT-
A LEGACY FOR USERS (SAFETEA-LU)**

State: Use standard abbreviations (i.e., CA, ID, etc.)

Name of State SAFTEA-LU Coordinator(s):

State Office or District/Field Office Originating this Project:

Project Title:

Project Coordinator (DO/FO):

Project Location:

Requested amount of funds for this project: \$

Project Description: Please be very specific and include the following:

- a. Purpose of the work.
- b. General Outcome (i.e., what do you hope to accomplish?)

Anticipated Outcome: Please be very specific and include the following:

- a. Description of what will be accomplished.
- b. Description of benefit to the Bureau of Land Management.
- c. Description of benefit to the public.
- d. Description of benefits to outside partners such as Departments of Transportation, local governments, etc.

Lessons Learned from FY 2007:

- a. Describe how you will use lessons learned from FY 2007 to perform the work in FY 2008.
- b. Additional comments (optional).

NOTE: This form should be duplicated and used for each individual project. Please read Attachments 1 and 3 (BLM's Implementation Plan/Fiscal Year (FY) 2008 Program Proposal and the FHWA Eligibility Guidelines, respectively). Attachment 1 accompanied our funds request letter to the FHWA, and is a commitment on how the BLM intends to use the SAFETEA-LU funds this FY. Attachment 3 provides FHWA project guidelines, which were developed this FY to ensure that land management agencies are meeting the intent of the transportation-planning program. Your transportation planning project proposals should be geared to meet the intent of Attachments 1 and 3.
