Hudson-Atlantic City Road Gravel

Need

Approximately 30 miles of the Hudson-Atlantic City road needs to be re-surfaced. The road is located in Fremont County, near Hudson, Wyo. The road is used frequently by hunters, hikers and other recreationists.

The contractor will reshape and gravel the road surface.

Recovery Act Funding

Pine Bluffs Gravel & Excavating, Inc. was awarded the contract for \$1,129,765.00. The work began on Oct. 5, 2009 and will be completed in November 2009.

Benefits

The road has historically been difficult to maintain due to high levels of clay in the road causing large ruts. Re-graveling the road will enhance public safety especially during wet periods.
