PAWG Members Present:

Major Items

PAWG reviewed monitoring and mitigation recommendations from each task group on the Draft Supplemental Environmental Impact Statement for the Pinedale Anticline, except Wildlife and Socioeconomic. Wildlife and Socioeconomic task groups did not provide recommendations.

Recommendations to BLM

Cultural Historical Recommendations will be passed forward to BLM. All other task group recommendations will be held until the task groups rework the recommendations. These reworked recommendations, and new recommendations, will be reviewed at the next PAWG meeting, to be held March 22, 2007. These recommendations will come from the Chairperson to BLM in writing, via email.

Chairperson

Sandy Wise was nominated and elected chairman of the PAWG. Sandy previously served as the Vice Chair. His position as chair, created a vacancy in the Vice Chair position.

Vice Chairperson

Robin Smith was nominated and elected Vice Chairman of the PAWG.

Wildlife Task Group

Rollin Sparrow resigned from the PAWG wildlife task group and indicated that the wildlife task group no longer had any members willing to serve. The PAWG concluded a Wildlife task group was critical and needed to be reformed. Pete Guernsey, Robin Smith, and Cathy Purves will contact potentially interested parties to recruit membership to the Wildlife task group.

Next Meeting
