Buffalo, Wyoming

SURFACE USE
CONDITIONS OF APPROVAL

POD Name: Incline Extension POD

Operator: Marathon/Pennaco Energy

1. Adhere to all conditions of approval. See attachment A.
2. The results of a water quality analysis of a sample collected from a production wellhead will be provided to the BLM within 30 days of approval. The sample will be collected from a well located within six miles of the Incline POD boundary that produces water from the same coals targeted by the Incline POD. The analysis will provide data on the same water quality parameters as outlined in the WDEQ WYPDES initial monitoring report.
