

## 6.0 Termination and Abandonment of Right-of-Way and Facilities

---

Prior to termination of the BLM right-of-way Grant, or any portion thereof, Greencore will contact the BLM Authorized Officer to arrange for a pre-termination meeting and joint inspection of the right-of-way. This meeting and inspection will take place a minimum of 30 days prior to termination. The meeting and inspection will be held so that an agreement on an acceptable termination and reclamation plan can be reached. This plan will include, but not be limited to, abandonment and/or removal of facilities, drainage structures and/or surface material, recontouring, replacing of topsoil, seeding, and monitoring (including monitoring of noxious weeds). The Authorized Officer must approve the plan in writing. Greencore will relinquish all, or those specified portions, of the right-of-way in accordance with the termination plan.
