

**Final  
Environmental Assessment  
of the  
North Antelope and Rochelle Coal Lease Applications  
for Powder River Coal Company  
(Federal Coal Lease Applications WYW119554 & WYW119555)**

**EA #WY 061-2-EA-007**

**Prepared by  
Casper District  
Bureau of Land Management**

**Cooperating Agencies:  
Office of Surface Mining  
US Department of Agriculture, Forest Service**

**May 1992**

## TABLE OF CONTENTS

SUMMARY . . . . .	v
I. INTRODUCTION . . . . .	1
A. Purpose and Need . . . . .	1
B. Conformance with Land Use Plan . . . . .	2
C. Relationship to Statutes, Regulations, or Other Plans . . . . .	5
D. Public Participation . . . . .	7
II. ALTERNATIVES INCLUDING PROPOSED ACTION . . . . .	7
A. Alternative No. 1. Lease Sale With Coal to Be Mined with Existing Mining Operations . . . . .	7
B. Alternative No. 2. Same as Alternative 1 but With Adjusted Tract Boundaries (Proposed Action) . . . . .	11
C. Alternative No. 3. Proposed Lease Sale For a New Stand-Alone Mine . . . . .	12
D. Alternative No. 4. No Action . . . . .	15
III. AFFECTED ENVIRONMENT . . . . .	15
A. General Setting . . . . .	15
B. Affected Resources . . . . .	17
1. Geology and Topography . . . . .	17
2. Soils . . . . .	19
3. Vegetation . . . . .	21
4. Water Resources . . . . .	22
a. Ground Water . . . . .	22
b. Surface Water . . . . .	25
c. Alluvial Valley Floors . . . . .	28
5. Ownership and Use Of Land . . . . .	28
6. Wildlife . . . . .	30
7. Cultural Resources and Native American Concerns . . . . .	38
a. Cultural Resources . . . . .	38
b. Native American Concerns . . . . .	42
8. Paleontological Resources . . . . .	42
9. Visual Resources . . . . .	43
10. Noise . . . . .	44
11. Air Quality . . . . .	45
12. Transportation Facilities . . . . .	48
13. Socioeconomics . . . . .	48

**TABLE OF CONTENTS**  
(continued)

IV. ENVIRONMENTAL IMPACTS . . . . .	54
A. Impacts of Alternative No. 1 . . . . .	54
1. Geology and Topography . . . . .	54
2. Soils . . . . .	56
3. Vegetation . . . . .	57
4. Water Resources . . . . .	58
5. Land Use . . . . .	65
6. Wildlife . . . . .	65
7. Cultural Resources and Native American Concerns . . . . .	66
8. Paleontological Resources . . . . .	66
9. Visual Resources . . . . .	66
10. Noise . . . . .	67
11. Air Quality . . . . .	68
12. Transportation Facilities . . . . .	68
13. Socioeconomics . . . . .	68
B. Impacts of Other Alternatives . . . . .	70
1. Alternative No. 2. Lease Sale After Adjusting Tract Boundaries (Proposed Action) . . . . .	70
2. Alternative No. 3. Lease Sale for New Stand-Alone Mine . . . . .	72
3. Alternative No. 4. No Action . . . . .	74
C. Mitigation Measures . . . . .	75
D. Residual Impacts . . . . .	77
E. Cumulative Impacts . . . . .	78
1. Actual and Predicted Coal Activity in the Eastern Powder River Region . . . . .	79
2. Socioeconomics . . . . .	83
3. Air Quality . . . . .	86
4. Water Resources . . . . .	89
a. Ground Water . . . . .	89
b. Surface Water . . . . .	95
V. CONSULTATION AND COORDINATION . . . . .	96
VI. REFERENCES . . . . .	98
VII. COMMENT LETTERS ON DRAFT EA AND RESPONSES . . . . .	108
VIII. FINAL AND DRAFT EA MAILING LISTS . . . . .	158

## LIST OF FIGURES AND TABLES

### FIGURES

Figure 1.	General Location Map of North Antelope and Rochelle Lease Tracts . . . . .	3
Figure 2.	Location Base Map of North Antelope/Rochelle LBA Tracts . . . . .	4
Figure 3.	Layout for Hypothetical Stand-Alone Mine on Combined Lease Tract . . . . .	14
Figure 4.	Stream Location Map of North Antelope/Rochelle LBA Tracts and Vicinity . . . . .	26
Figure 5.	Surface Ownership Map of North Antelope/Rochelle LBA Tracts and Vicinity . . . . .	29
Figure 6.	Transportation Facilities and Oil/Gas Wells On and Near North Antelope/Rochelle LBA Tracts . . . . .	31
Figure 7.	Raptor Nest Location Map of North Antelope/Rochelle LBA Tracts and Vicinity . . . . .	35
Figure 8.	Maximum Extent of Drawdowns Predicted by PRCC for Existing PRCC Mines and by USGS for All Anticipated Mining . . . . .	63
Figure 9.	Comparison Between the 1990 Cumulative Drawdowns and the Mines Worst-Case and the USGS Predicted Drawdowns . . . . .	92

### TABLES

Table 1.	Validation of Leasing Unsuitability Criteria for North Antelope and Rochelle LBA Tracts . . . . .	6
Table 2.	Hypothetical Coal Production Schedule for Stand-Alone Mine on Combined Lease Tracts . . . . .	13
Table 3.	MBHFI Status in Northeast Wyoming and Expected Occurrence Near North Antelope and Rochelle Mines . . . . .	37
Table 4.	Known Cultural Resources within LBA Areas, Adjusted LBA Areas, and Buffer Areas. . . . .	39
Table 5.	Known Cultural Resources by Site Type and NRHP Status . . . . .	41

Table 6.	Typical Noise Levels of Common Occurrence . . . . .	44
Table 7.	Regulated Air Emissions for Wyoming . . . . .	45
Table 8.	Maximum Allowable Increases for Prevention of Significant Deterioration of Air Quality in Wyoming . . . . .	46
Table 9.	Summary of Air Quality Monitoring in Wyoming's Powder River Basin, 1980-1981 . . . . .	47
Table 10.	Housing Availability in Gillette, Wyoming, 1990 . . . . .	49
Table 11.	Housing Availability in Converse County . . . . .	50
Table 12.	Historic and Projected Coal Production for Wyoming, Campbell and Converse Counties . . . . .	51
Table 13.	Labor Force Data for Selected Years for Wyoming, Converse and Campbell Counties . . . . .	52
Table 14.	Local Disbursements for Campbell County and Gillette for Selected Years . . . . .	53
Table 15.	Mine Sites Addressed in EIS Analyses . . . . .	80
Table 16.	Cumulative Regional Activity, Eastern Powder River Coal Region . . . . .	81
Table 17.	Cumulative Surface Disturbance, Employment and Population - Actual and Predictions without the Lease-By-Applications, Eastern Powder River Coal Region (Campbell and Converse Counties) . . . . .	82
Table 18.	Crime in Campbell County, 1980 and 1989 . . . . .	85
Table 19.	Marriage and Divorce Rates in Campbell County, 1980 and 1989 . . . . .	85
Table 20.	Birth and Death Rates in Campbell County, 1980 and 1989 . . . . .	86
Table 21.	Particulate Concentrations by Mine in the Eastern Powder River Basin as Projected for 1990 and as Measured in 1990 for the Annual Ambient Air Quality Standard . . . . .	88
Table 22.	Particulate Emissions by Mine in the Eastern Powder River Basin as Projected for 1990 and as Estimated from Actual Mining Activities in 1990. . . . .	89
