

**Final
Environmental Assessment
of the
West Black Thunder Coal Lease Application
as applied for by Thunder Basin Coal Company
(Federal Coal Lease Application WYW118907)**

EA # WY061-2-004

**Prepared by
Casper District
Bureau of Land Management**

**Cooperating Agencies:
US Office of Surface Mining Reclamation and Enforcement
US Department of Agriculture, Forest Service**

March 1992

TABLE OF CONTENTS

| | |
|--|----|
| SUMMARY | vi |
| I. INTRODUCTION | 1 |
| A. Need for Proposed Action | 1 |
| B. Conformance with Land Use Plan | 6 |
| C. Relationship to Statutes, Regulations, or Other Plans | 6 |
| D. Public Participation. | 10 |
| II. PROPOSED ACTION AND ALTERNATIVES | 11 |
| A. Alternative No. 1: Proposed Lease Sale To Be Mined With Existing Mining Operation: Preferred Alternative | 11 |
| B. Alternative No. 2: No Action | 14 |
| C. Alternative No. 3: Proposed Lease Sale for a New Stand-Alone Mine | 14 |
| D. Alternative No. 4: Postpone Lease Sale | 15 |
| III. AFFECTED ENVIRONMENT | 16 |
| A. General Setting | 16 |
| B. Affected Resources | 18 |
| 1. Geology and Topography | 18 |
| 2. Water Resources | 22 |
| a. Ground Water | 22 |
| b. Surface Water | 24 |
| c. Alluvial Valley Floors | 25 |
| d. Wetlands | 25 |
| 3. Soils | 26 |
| 4. Vegetation | 28 |
| 5. Ownership and Use Of Land | 28 |
| 6. Wildlife | 30 |
| 7. Cultural Resources | 34 |
| 8. Native American Consultation | 38 |
| 9. Paleontological Resources | 38 |
| 10. Visual Resources | 39 |
| 11. Noise | 40 |
| 12. Air Quality | 40 |
| 13. Transportation Facilities | 44 |
| 14. Socioeconomics | 46 |

TABLE OF CONTENTS
(continued)

| | |
|--|----|
| IV. ENVIRONMENTAL IMPACTS | 52 |
| A. Impacts of the Proposed Action | 52 |
| 1. Geology and Topography | 52 |
| 2. Water Resources | 53 |
| a. Ground Water | 54 |
| b. Surface Water | 59 |
| c. Alluvial Valley Floors | 60 |
| d. Wetlands | 61 |
| 3. Soils | 61 |
| 4. Vegetation | 63 |
| 5. Land Use | 63 |
| 6. Wildlife | 64 |
| 7. Cultural Resources | 64 |
| 8. Paleontological Resources | 65 |
| 9. Visual Resources | 65 |
| 10. Noise | 65 |
| 11. Air Quality | 66 |
| 12. Transportation Facilities | 68 |
| 13. Socioeconomics | 68 |
| 14. Hazardous Waste | 69 |
| B. Impacts of Alternatives | 70 |
| 1. Alternative No. 2: No Action | 70 |
| 2. Alternative No. 3: New Stand-Alone Mine | 70 |
| 3. Alternative No. 4: Postponement of Lease Sale | 75 |
| C. Mitigation Measures | 76 |
| D. Residual Impacts | 78 |
| E. Cumulative Impacts | 78 |
| 1. Actual and Predicted Coal Activity in the Eastern Powder River Coal Region | 79 |
| 2. Water Resources | 86 |
| a. Ground Water | 86 |
| b. Surface Water | 93 |
| 3. Air Quality | 93 |
| 4. Socioeconomics | 95 |

| | |
|--|-----|
| V. CONSULTATION AND COORDINATION | 101 |
| VI. REFERENCES | 103 |
| VII. COMMENT LETTERS ON DRAFT EA AND RESPONSES | 115 |
| VIII. FINAL AND DRAFT EA MAILING LISTS | 171 |

LIST OF FIGURES AND TABLES

FIGURES

| | |
|--|----|
| Figure 1. Coal Leasing Interest, Powder River Coal Region, Wyoming and Montana | 2 |
| Figure 2. General Location Map of West Black Thunder Tract | 4 |
| Figure 3. Detailed Location Map of West Black Thunder Tract | 5 |
| Figure 4. Generalized Stratigraphic Chart for the latest Cretaceous and early Tertiary, Powder River Basin, Wyoming | 19 |
| Figure 5. Ownership Map of West Black Thunder Tract and Vicinity | 29 |
| Figure 6. Land Use and Wildlife Features of West Black Thunder Tract and Vicinity | 31 |
| Figure 7. Relationship Between A-Scale Decibel Readings and Sounds of Daily Life | 41 |
| Figure 8. Transportation Facilities in Vicinity of West Black Thunder Mine | 45 |
| Figure 9. Layout for Hypothetical Stand-Alone Mine on West Black Thunder Tract | 71 |
| Figure 10. Location of Existing and Proposed Coal Mines in Campbell County | 80 |
| Figure 11. Comparison between 1990 cumulative drawdowns and the mines worst-case and the USGS predicted cumulative drawdowns | 89 |

TABLES

| | | |
|-----------|---|----|
| Table 1. | Validation of Leasing Unsuitability Criteria for West Black Thunder Tract | 7 |
| Table 2. | Federal and State Permitting Agencies | 9 |
| Table 3. | Federal and State Permit Requirements | 9 |
| Table 4. | MBHFI Status in Northeast Wyoming and Expected Occurrence Near Black Thunder | 35 |
| Table 5. | Status of Known Cultural Sites Within the West Black Thunder Tract and One-Mile Buffer | 37 |
| Table 6. | Regulated Air Emissions for Wyoming | 42 |
| Table 7. | Maximum Allowable Increases for Prevention of Significant Deterioration of Air Quality in Wyoming | 42 |
| Table 8. | Summary of Air Quality Monitoring in Wyoming's Powder River Basin 1980-1988 | 43 |
| Table 9. | Housing Availability in Gillette, Wyoming, 1990 | 46 |
| Table 10. | Historic and Projected Coal Production for Wyoming and Campbell County | 47 |
| Table 11. | Labor Force Data for Selected Years for Wyoming, Campbell and Weston Counties | 49 |
| Table 12. | Local Disbursements for Campbell County and Gillette for Selected Years | 50 |
| Table 13. | Housing Availability in Newcastle, Wyoming, 1990 | 50 |
| Table 14. | Hypothetical Coal Production Schedule for Stand-Alone Mine on WBT Tract | 72 |
| Table 15. | Mine Sites Addressed in Previous Regional EIS Analyses | 82 |
| Table 16. | Cumulative Regional Activity, Eastern Powder River Basin Coal Region | 83 |

TABLES (continued)

| | |
|---|-----|
| Table 17. Cumulative Surface Disturbance, Employment and Population-Actual and Predictions without the Lease-By-Applications, Eastern Powder River Coal Region | 84 |
| Table 18. Particulate Concentrations by Mine in the Eastern Powder River Basin as Projected for 1990 and as Measured for 1990 for the Annual Ambient Air Quality Standard | 95 |
| Table 19. Particulate Emissions by Mine in the Eastern Powder River Basin as Predicted for 1990 and as Estimated from Actual Mining Activity for 1990 | 96 |
| Table 20. Crime in Campbell County, 1980 and 1989 | 98 |
| Table 21. Marriage and Divorce Rates in Campbell County, 1980 and 1989 | 99 |
| Table 22. Birth and Death Rates in Campbell County, 1980 and 1989 | 100 |
