Dear Reader:

A thirty day public review period for the preliminary Environmental Assessment (EA) WY-050-EA12-33 for gathering wild horses in the North Lander Complex begins July 9, 2012 and ends August 7, 2012. The EA can be found on the internet at:

<http://www.blm.gov/wy/st/en/info/NEPA/documents/lfo/N-Lander-gather.html>

If you do not have access to the internet, you may request a hard copy or CD of the EA.

The BLM mailed a scoping letter for this proposed wild horse gather on February 17, 2012. Public comments received during the scoping period have been incorporated into the EA.

Please submit your comments on the EA to:
