Pinedale, WY 82941

Dear Mr. Anderson,

Dear Representative:  
This letter addresses my interests as a

In the subject area, there are cumulative effects both ongoing and on the near horizon that have not been adequately analyzed and addressed; thus we should halt any escalation of activity in order to prevent any commitment of irreplaceable resources while we still can.

Please accept Alternative A< the No Action Alternative, and implement BMPs recommended by the National Audubon Society when managing the current and future development of the site that is within a critical population of Greater Sage-Grouse and other wildlife.

Thank you for your consideration.

Sincerely,  
Priscilla Titus
