

**DECISION RECORD AND FINDING OF  
NO SIGNIFICANT IMPACTS**

Recommendation: I recommend the approval of the Right-of-Way grant to allow the Doty Mountain to Jolly Roger sales pipeline project for Anadarko E&P Company approximately 28 miles northeast of Baggs, Wyoming, off the Dad road including the Additional Terms and Conditions attached to the grants.

The following describes the public land covered by the Right-of-Way:

T. 18 N., R. 90 W., 6<sup>th</sup> P.M., Carbon County, Wyoming

Section 4: SE $\frac{1}{4}$ SE $\frac{1}{4}$

Section 10: W $\frac{1}{2}$ W $\frac{1}{2}$ , SE $\frac{1}{4}$ NW $\frac{1}{4}$

Section 16: NE $\frac{1}{4}$ SE $\frac{1}{4}$ , S $\frac{1}{2}$ SE $\frac{1}{4}$

Section 28: NE $\frac{1}{4}$ NW $\frac{1}{4}$ , NW $\frac{1}{4}$ SW $\frac{1}{4}$

Section 32: N $\frac{1}{2}$ NW $\frac{1}{4}$

T. 17 N., R. 91 W., 6<sup>th</sup> P.M., Carbon County, Wyoming

Section 2: SE $\frac{1}{4}$ SE $\frac{1}{4}$

Section 14: NE $\frac{1}{4}$ , SE $\frac{1}{4}$ SW $\frac{1}{4}$ , N $\frac{1}{2}$ SE $\frac{1}{4}$ , SW $\frac{1}{4}$ SE $\frac{1}{4}$

Rationale for Recommendation: The proposed action is in conformance with the Great Divide Resource Management Plan (RMP), approved on November 8, 1990. All the needed environmental protection procedures are included in the grant and the Additional Terms and Conditions contained in the Right-of-Way. The proposed action does not cause any undue or unnecessary environmental degradation, and is consistent with the need for action. The proposed action will allow Anadarko E&P Company to develop its leases and move the produced gas to a sales point.

Finding of No Significant Impacts: Based on the analysis of potential environmental impacts contained in the attached environmental assessment, I have determined that impacts are not expected to be significant and an environmental impact statement is not required.

Decision: The recommendation and its rationale are adopted as my decision.
