

5.0 List of Preparers and Reviewers

As required by NEPA regulations (40 CFR § 1502.17), **Table 5-1** and **Table 5-2** list the people responsible for preparing, contributing, and reviewing this Draft VRM Plan Amendment EIS. Consultation and coordination details can be found in the Rawlins RMP (2008a) and the CCSM Project EIS (Volume II). The BLM has retained AECOM as a third-party consultant to assist with the preparation of this EIS. AECOM was selected by the lead agency to avoid any conflict of interest. AECOM has certified that it does not have any financial or other interest in the decisions to be made pursuant to this EIS.
