Dear Reader:

The Lander and Rawlins Field Offices have prepared an environmental analysis (EA) for gathering of wild horses in the Red Desert Wild Horse Herd Management Area Complex. The EA provides the detail about this gather. This EA is posted on our Wyoming website at <http://www.blm.gov/wy/st/en/info/NEPA/rfodocs/red-desert.html>. You may also obtain a hard copy of the EA by contacting either the Lander or Rawlins Field Offices at the following addresses or phone numbers. If you are interested in participating and have concerns, issues, or alternatives you would like to see addressed, please respond with your written comments by October 1, 2009.
