Dear Reader:

The enclosed documents are the Finding of No Significant Impact (FONSI) and Decision Record for the Environmental Assessment (EA) WY-030-2009-0258-EA for the Wild Horse Gather for the Red Desert Wild Horse Herd Management Areas. These areas are the Antelope Hills HMA, Crooks Mountain HMA, Green Mountain HMA, Stewart Creek HMA, and Lost Creek HMA. On June 12, 2009, the Scoping Notice was mailed, and the EA was mailed to the public on August 27, 2009. The public comments received during the scoping period and the comments received on the EA have been incorporated into the Decision Record/FONSI and are made a part of this administrative record.
