LAND SALE PROPOSAL FORWARDED FOR RESOURCE REVIEW

DUE DATE: 1/25/2010

Applicant: Washakie County

Action Proposed: The county has requested the sale of approximately 15 acres of public land under the R&PP Act for septic waste disposal facilities. Preparation of the EA is being done under contract for the BLM. Please provide comments suitable for inclusion in the EA as to whether or not there are any significant impacts in regard to the sale of the land.

A copy of the proposal and the maps filed are attached. Please indicate your time spent reviewing the proposal and return with any comments regarding the proposal to Victor Trickey by COB 1/25/2010. Please advise if additional time or information is needed to review the proposal.

A. Identify existing lease or permit rights or critical resource values and any impacts the proposal may have on them (Allotments, AUMs, SRPs, ACECs, critical habitat).

Proposed project area is within an area designated as potential mountain plover habitat, although none of these animals have been observed utilizing this habitat.

B. Include any considerations that may mitigate impacts to users or to resources.

C. Identify any agency consultation that may be required (T&E, etc.).
