*Wyo-Ben Inc. Bentonite Mining Plan of Operation; WYW-148811*  
*Hot Springs County, Wyoming*

Based on the analysis of potential environmental impacts contained in the (referenced or attached) environmental assessment, and considering the significance criteria in 40 CFR 1508.27, I have determined that the proposed action as approved will not have a significant effect on the human environment. An environmental impact statement is therefore not required.
