Re: Nomination of Federal Minerals in Hot Springs County, Wyoming for
Oil and Gas Lease Auction

Mr. Hite:

Principle Petroleum Partners LLC previously nominated 40 acres in T45N, R101W in Hot Springs County, Wyoming in a letter dated November 27, 2012. That acreage as deferred in a letter from the BLM dated November 5, 2014. Principle petroleum would like to expand its nomination to include acreage apparently previously nominated by others but also not posted.

Principle Petroleum Partners LLC hereby nominates for oil and gas lease auction all unleased Federal oil and gas acreage in the following areas in Hot Springs County, Wyoming:

- 1) All unleased federal acreage in Sections 2, 3, E/2 of 4, E/2 of 9, and 10, Township 45 North, Range 101 West.

We suggest that the above described lands be consider as a single parcel for auction.

We believe that the surface all of the above described land is BLM surface.

If you have any questions or require any additional information, please feel free to contact me at the number below.

Sincerely,

Principle Petroleum Partners LLC

C. Scott Gladden, Executive Vice President
