Re: Lease Nomination //28N/92W acreage

Ms. Moberley,

I would like to have the following lease, a BLM property, formally leased but now expired, nominated for the Wyoming Auction.

BLM Lease known as ?, approximately 160 acres, believed to have expired previously. This should include some or all of N ½ of/NE ¼ Sec 23 T28N-R92W.

I understand the earliest possible date for this will be the February 2016 auction. In the event there is earlier date that the February 2016 auction, please move it to the nearest available date.

If you find any problem with this nomination or have any questions, please feel free to contact me. It is probably best to use email or my cell phone, as I spend most of my time "in the field." Thank you.
