Dear Mr. Hite:

Re: 2<sup>nd</sup> Nomination of acreage for the next BLM Oil and Gas Lease Sale

I am writing to re-nominate lands that I nominated in 2009, but which were precluded from being posted at auction by virtue of such lands falling within the then uncompleted Buffalo Resources Management Plan (BRMP).

Please be advised that I continue to have interest to nominate such lands, which I set out below. Please also know that I have re-checked the current surface ownership of the nominated lands, and the surface owners set out below is the current owner as of today's date.

I hereby nominate the following described lands as one parcel for the next Wyoming Federal lease sale:

Parcel: Township 57 North, Range 71 West, 6<sup>th</sup> P.M.  
Section 07: Lots 5(38.85), 6(38.92), E2SW4  
Section 18: Lot 5(39.11)  
196.88 acres, more or less  
Campbell County, WY

Surface Owner:

[REDACTED]  
[REDACTED]  
[REDACTED]

Please be advised that I nominated 356.07 acres, which included the above lands, in a letter to Mrs. Sue Moberley dated September 9, 2009 (see copy attached), but only the following lands were allowed to be posted to auction (February 2, 2010):

Township 57 North, Range 71 West, 6<sup>th</sup> P.M.  
Section 18: Lot 6(39.19), E2NE4, NW4SE4  
159.19 acres, more or less  
Campbell County, WY

As the record will currently show, I was the successful bidder and remain the owner of these 159.19 acres.

Kindly confirm that this parcel will be offered in the February 2017 Sale? Thank you very much for your prompt attention to the above.

Very truly yours,

*H. Kirk Brown III*
