RE: Expression of Interest

Dear Mr. Hite,

I am in receipt of your letters dated November 2, 2015 in which you inquire as to my interest in seeing certain parcels of federal land I previously requested be offered for oil and gas lease as far back as 2013. I am interested in all the parcels I have previously requested. BLM has taken four years to complete the revision to the Buffalo RMP. This time period has been a real hindrance to development of oil and gas on federal lands and should be noted on the next audit conducted by the Office of Management and Budget.

Please find attached my new expressions of interest for federal lands to be offered for lease. I hope you will expedite my requests.

Please offer the following lands at the next available oil and gas lease auction. It appears from BLM records these lands are open.

Township 51 North, Range 71 West
Section 34: Lots 8-10, 11-13 (SE/4, E/2SW)
