**PROTEST OF 14 PARCELS. SPECIFIC PARCELS PROTESTED INCLUDE: PARCELS WY-0812-177, WY-0812-178, WY-0812-179, WY-0812-180, WY-0812-181, WY-0812-182, WY-0812-183, WY-0812-186, WY-0812-187, WY-0812-188, WY-0812-189, WY-0812-190, WY-0812-191 AND WY-0812-192.**

Dear Director Simpson:

I would hereby like to protest the inclusion of the above referenced parcels in the lease sale advertised by the Bureau of Land Management on October 17, 2008. I request the above parcels be withdrawn from sale for the following reasons:

As you know this is a limited entry hunting area. I was born and raised in Rock Springs and have Never drawn a deer tag for Area 102(Little Mtn). I have been fortunate to draw 3 limited cow elk tags. The money that has gone into habitat enhancement in this area by various groups (including the BLM) is in the six figures. This area is written up throughout the mountain west as Being a trophy elk and deer area. For good reason, IT IS!! It would be shortsighted to develop this For oil and natural gas. My livelihood depends on natural resources being developed in Sweetwater County. I am just against developing Little Mountain. In a meeting on Veteran's Day, 2008, Lance Porter explained that about 80% of Little Mountain is leased. Please withdraw the above parcels from this lease sale. Thank you for your time and consideration.

Sincerely,  
Mark Anselmi
