Re: Protest of Dec. 2, 2008 Competitive Oil and Gas Sale

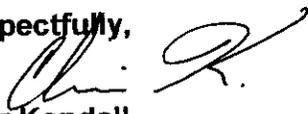

Protest of 14 parcels. Specific parcels protested include: Parcels WY-0812-177,
WY 0812-178, WY-0812-179, WY-0812-180, WY-0812-181, WY-0812-182,
WY-0812-183, WY-0812-186, WY-0812-187, WY-0812-188, WY-0812-189,
WY-0812-190, WY-0812-191 and WY-0812-192.

Dear Director Simpson:

I hereby protest the inclusion of the above referenced parcels in the lease sale advertised by the Bureau of Land Management on October 17, 2008. I request the above parcels be withdrawn from sale because they: 1) _____ and 2) _____.

I am a lifetime resident in this area and my family has and hopefully always will cherish the countless camping, picnicking, fishing, hunting, sightseeing opportunities in these areas. I have organized and participated in many projects in the area to benefit fish and wildlife. I have planted trees, fenced off young aspens, planted willows, built steps and dams in Currant Creek, adopted the highway in the area for garbage cleanup. I've took kids from the Big Brothers and Big Sisters programs to plant willows and have picnics, some of which had never played in a stream or stood around a campfire. Yea I am connected to this area and do not want to see it developed for energy use. Besides most of the area is already leased. We will need to control the way that those parcels are going to be developed. Consideration of my story will be appreciated

Respectfully,
