RE: Resource Management Plan

**Lander Field Office
1335 Main Street
Lander, WY 82520**

Dear Sir,

In regards to public comments needed on the BLM Resource Management Plans, I wish no changes to be made and would like to continue the Alternative A (Current Management Plan).

When changes are made to the current system, it can't help but to greatly increase costs and our state and country is in dire need of reducing budgets, not increasing them.

Thank you for your time and consideration!

Best regards,

Linna Beebe
