> > Lander, WY. 82520
> >
> > In Volume 2, page 1265, 5.3.
> > The BLM has refused to coordinate with local government entities that
> > have requested coordination status. The BLM has clearly ignored. This
> > in my opinion is a clear violation of the Federal Land Policy And
> > Management Act Of 1976. Which requires The BLM to work on
> > inconsistencies in land use plans. The Lower Wind River Conservation
> > District, that I may remind you are strictly involved in Resource
> > Management, has not been given a seat at the table. This Elected local
> > Government entity that is entirely devoted to Resource Management must
> > have genuine input in any Resource Management Plan. It troubles me
> > greatly that the many great resource managers of the many Conservation
> > Districts have not been given the respect of having their input taken
> > quite seriously. The BLM meets and gives more respect to
> > enviromentalists than it does to Local Governments. The boards of
> > County Commissioners, Boards of Fire Districts, Boards of Conservation
> > Districts and City Councils are elected officials, they clearly
> > represent local people and business. Their input should be welcomed
> > not ignored.
> > The BLM should not enforce REGULATIONS that fit their particular
> > agenda and ignores those that oppose it, this is a Republic Government
> > not a Dictatorship.
> >
> > Volume 3,Appendix K, Category I, page 1447
> > The BLM uses livestock AUM's as the only way to resolve any conflicts.
> > This is rediculous, there are many other factors that have to do with
> > resource damage. When we were in a drought, we ranchers clearly
> > understood we needed to cut back on use and gladly done so in good
> > confidence that when the drought was relieved we could again run
> > regular AUM's. This was not the case however. The BLM continually
> > moves the goal line, using even more rediculous ideaology than even I
> > thought possible. As a ranch hand for the Sun Ranch, my only source of
