- 1:30 RAC Business Session - Follow up Issues from Laramie meeting
- Discuss RAC mission and goals
 - What is good for Wyoming?*
 - What are we doing as the RAC?*
 - What is our common goal?*

What are we to do?[results, products, how do we memorialize our work?]

- Readability of NEPA documents Toolkit
 - Documents not written for public to easily read and understand*
 - How do we address the readability and size?*
 - Need searchable/interaction of resource issues. Need tables maps, charts*
 - Jargon explained meaning in regulatory framework and usefulness/usability*
 - Develop a tool kit to deal with readability of NEPA documents*

- Cooperating agency MOU template, working with Wyoming County Commissioners Association
 - Guidelines for cooperators to engage public through Wyoming County Commissioners Association*
 - Suite of choices for level and type of cooperator involvement*
 - Establish a cooperating agency MOU template. BLM will work with WACC.*

- Plan implementation process template (Joe Meyer)
 - Continue public involvement through implementation phase*
 - Develop a template of a plan implementation process.*
