Information Bulletin No. WY-2012-022

To: District Managers and Deputy State Directors
From: State Director
Subject: Wyoming State Office Fire/Aviation Contact List

Based on staffing changes over the past year, the Wyoming State Office has updated its list of fire operations, fuels management, fire program business, aviation, fire planning, and land mobile radio sub-program leads and contacts to better support District and Field Offices. The Wyoming State Office Branch of Fire, Fuels and Aviation has made this effort to provide District and Field Office users with the highest level of service by providing you with direct access to appropriate program personnel. Please see the attached list of State Fire Program contacts and their corresponding areas of responsibility.

Questions regarding this information may be directed to Jeff Fedrizzi, State Fire Management Officer, at (307) 775-6234.
