

Criteria for BLM Wyoming Fire and Aviation Management Leadership Award

This award will recognize an individual or group of individuals from the same Field or District Office. The spirit of the award is to recognize excellence in fire leadership and is sponsored by the Wyoming Management Team.

Award nominations are solicited once a year and forwarded to the Assistant State Fire Management Officer with a deadline of March 7, 2011. Nominations will be accepted from peers, supervisors or other Wyoming Bureau of Land Management employees.

Selection of an individual or group of individuals will be made by a committee of the following individuals:

One District Fire Management Officer
One District Office Managers or Associate Field Office Managers
State Director or Associate State Director
State Fire Management Officer
One District Office Fire Peer

Presentation of the award will be made at the Wyoming BLM Preseason Fire and Aviation meeting with the award being housed at the office of the recognized leader until the next recognized leader is announced.

Nomination of group/individual should address Leadership example(s) of at least one of the following criteria in narrative form (1 page maximum, 250 words):

- Is recognized as a mentor to fire, fuels, dispatch and/or fuels management staff
- Uses innovative and adaptable training techniques to involve student interest and participation regardless of type of audience
- Ability to build a team into a cohesive unit, that results in a group/module/unit that is far superior than existed previously with the same individuals
- Utilizes previous shortcomings or mistakes as a positive learning tool through After Action Review's or internal reviews
- Demonstrates initiative by the involvement in fire preparedness reviews, site visits and improving standards at the local unit
- Developed and/or promoted a new program or procedure that promotes Fire Leadership
- Efforts in Fire Leadership across Agency, functional and political boundaries
- Individual or group has success in making those around them better leaders
- Individual or group has improved safety performance, accountability and/or tracking thereby making their program and environment a safer place
