

Attachment 2
FY 2008 – FY 2009
Challenge Cost Share (1770)
Heritage Resource and Cooperator Projects
(Partial List)

States should attempt to accurately quantify the matching contributions on each of these projects, including monies, materials, equipment, and staff/volunteer time for each completed project (understanding that some FY 2008 CCS projects may not have been previously reported, while many FY 2009 projects may not yet be complete.). States should also list cooperator projects. For volunteer hours, WO-240 will convert those hours to a dollar value using a standard hourly rate.
